

Alarm Business License

Applicant Checklist

Before submitting your Alarm Business Application to the City of Sioux Falls, please make sure you have included the following:

Completed Alarm Business License Application

- All Questions Answered
- If your business installs and/or services alarm systems in Sioux Falls, you must include a list of alarm technician names, states they have lived in for the last seven years, and a photocopy of their government issued ID; for all alarm technicians under contract or employed by you.
- If your business uses a different company to install, monitor or service alarm systems they will also need to submit an application and documentation.

Application Fee

- \$35 for renewals received before December 31.
- \$75 for new applicants or if renewing after January 1.

Surety Bond

- Must be a minimum amount of \$10,000
- Must list the City of Sioux Falls as the obligee

*** Remember that if your Surety Bond expires within the license year, your business will be contacted and asked to provide an updated, active and unexpired Surety Bond.**

South Dakota State Sales Tax Number

- If your company creates NEXUS, you are required to have a state sales tax license with the state of South Dakota
- If you have questions regarding state sales tax licenses, contact the South Dakota Department of Revenue at 605-367-5800

If you have any further questions regarding this checklist, please contact
Sioux Falls Police Department Records Division at **605-367-7226**.
