Meier also shared that Kummer's term expires in December, and he is not seeking reappointment.

NEW BUSINESS

Committee Updates:

Shirts for board members arrived. The updated EDR/DAARB Disability Inclusion Partner decals are also complete and ready to distribute. EDR is working towards updating old decals around town.

Zwart noted that ADA 30 will sponsor 150 books again this year. Zwart will update the Call for Art to include the phone number for the Sioux Falls Human Relations Office for individuals in need of reasonable accommodations for the submission process. Herman will contact the mall to ensure space is available again this year for promotion purposes. Zwart noted that Rehfeld's is under new ownership with a new

general manager, but the contract for the event space has already been executed. Labbee Darling will add the event information to upcoming Disability Rights South Dakota newsletters.

Open Board Discussion

Barnhardt wants to discuss developing an accessible recreation guide. Labbee Darling noted that DAARB could consider creating videos for individuals to watch how to navigate certain settings or events to cover all areas of accessibility, and the board unanimously was interested.
