Falls Community Health Center Governing Board  
Resolution**

**Resolution:** Resolution supporting the publication of the Sioux Falls Community Health Status Report.

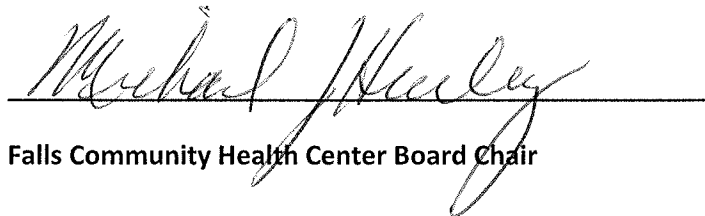

Vote of support:

We, the Sioux Falls Board of Health, support the publication of the Sioux Falls Community Health Status Report. As a fully functioning local health department, the Sioux Falls Health Department serves to:

1. Monitor health status and understand health issues
2. Give information needed to make healthy choices
3. Engage the community to identify and solve health problems
4. Develop public health policies and plans
