

Heat Pump Rebate

Available Rebates:

- Ducted Electric Air Source Heat Pump, 2 tons or larger: **\$1,000**
- Ducted Electric Air Source Heat Pump with Backup Electric Furnace or Boiler: **\$2,000**
- Non-ducted Mini Split Heat Pump, 1 ton or larger: **\$500**
- Geothermal Heat Pump with Electric Backup: **\$2,000**

Rebate Checklist

In order to ensure timely approval and issuance of your rebate, please complete the following steps. Incomplete applications may result in delayed payment.

- Read the application Terms and Conditions to determine if you are eligible for a rebate under this program
- Complete this application form
- Attach the following documentation:
 - Itemized invoice including equipment manufacturer, model numbers, size or capacity, date of installation and installation address
- Submit the application and required documentation to your local utility

Terms & Conditions

The Power Forward heat pump rebate program is provided by Heartland Energy in collaboration with the City of Sioux Falls electric utility. Incentives are provided for the purchase of an electric air-source heat pump or geothermal heat pump.

- **Only customers of Sioux Falls City Light & Power Electrical are eligible for rebates.**
- Rebates are only available on models as outlined in this application, purchased and applied for in the current calendar year. Applications must be submitted by December 31, 2025.
- Rebates are available on a first-come, first-served basis and are subject to eligibility and availability of funds. This program is subject to change or termination without notice.
- A copy of proof of purchase/sales receipt must be included with this application and will not be returned.
- Rebates will be issued by your local electric utility in a manner chosen by the utility. Please allow up to 90 days for the delivery of rebates.
- Equipment must be new and installed by December 31, 2025. Old equipment (if applicable) must be properly removed and disposed of in order to be eligible for the rebate.

For a list of participating utilities, visit www.heartlandenergy.com or contact your local utility to verify participation.
