RULE 7 CIVIL SERVICE APPEALS

- a. **GENERAL.** The Civil Service Appeals Notice and Appeal process is generally provided for in Chapter 39, Sections 39.060, 39.061, 39.062, 39.063, and 39.064 of

the Code. The Notice of Appeal shall be documented on a Civil Service Appeal form adopted and amended from time to time by the Board. (Adopted 1-9-02.) The Civil Service Appeal Procedures shall be distributed to the appellant at the time of the filing of an appeal with the director.

- b. **CIVIL SERVICE APPEAL SCHEDULING.** The department will, to the extent practicable, coordinate availability with the hearing officer, City and appellant attorney, and/or union representative and the appellant when setting the date of the hearing. Once the notice has gone out to the parties, there must be a compelling reason to postpone the date of hearing after it has been set. Options available to the City or to the appellant when a witness is not available and the reason is judged reasonable or compelling are telephonic testimony or depositions. The Hearing Panel Chair shall make the decision on a case-by-case basis.
- c. **CIVIL SERVICE APPEAL PROCEDURES.** Appeals to the Civil Service Board may be made by an employee who believes he or she has been discharged, suspended, or demoted from a position of employment by the City of Sioux Falls without just cause as set forth in Chapter 39 of the Code. The Civil Service Board is composed of four Sioux Falls citizens appointed by the Mayor. When an appeal is filed, it will be made to the Board. A panel composed of three members of the Board will comprise the hearing body. This hearing panel hears employee appeals in much the same way a judge hears a case in a court of law. The hearing requested is to allow the appealing employee, the employee's representatives, and representatives acting on behalf of the City of Sioux Falls to present relevant evidence concerning the circumstances surrounding the disciplinary action taken. Several ground rules have been established to make sure the appeal hearing is conducted fairly for both parties. Rules of procedures for such hearings are established to govern the conduct of all parties involved in order to ensure a fair and competent presentation to the satisfaction of both the employee and the City of Sioux Falls.

I. BOARD AUTHORITY:

When a Civil Service appeal is filed by an employee, the Board is authorized to take the following actions:

1. Conduct an administrative hearing to determine whether or not a violation of Civil Service procedures as set forth in Chapter 39 of the Code has occurred. The hearing will be confined to the determination of the question of whether the suspension, demotion, or termination was made for race, color, religion, sex, sexual orientation, national origin, creed, ancestry, pregnancy, age, genetic information, or disability and was made in good faith for cause.
2. In the course of the hearing, the hearing panel will administer oaths and will be authorized to require by subpoena both the attendance and testimony of witnesses and the production of evidence relevant to the appeal.

3. At the completion of the hearing, the hearing panel will determine in closed session to affirm or deny the demotion, suspension, or termination of the employee, or if the hearing panel determines that the action taken against the employee was made by the City for race, color, religion, sex, sexual orientation, national origin, creed, ancestry, pregnancy, age, genetic information, or disability reasons or was not made in good faith for cause, order the reinstatement or reemployment of the employee in the office, place, position, or employment from which he/she was demoted, suspended, or terminated. The hearing panel, in lieu of affirming or reversing the City's action, may also modify the City's action in some lesser or greater form.

II. RIGHTS OF THE PARTIES:

The hearing is the only time that evidence or testimony can be presented for consideration. The hearing will not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence may be admitted except where precluded by statute if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Board shall give effect to the rules of privilege recognized by law. It is important that the employee carefully read these guidelines and be aware of these procedures.

Both parties have the right to:

1. **Representation:** The employee may choose to be represented by an attorney or a union representative who is familiar with the hearing procedures and your appeal. The employee may also choose to represent him or herself.
2. **Review of File:** The employee or the employee's representative may review any documents contained in the employee's official personnel file or medical file before the appeal hearing.
3. **Present Evidence:** Any information in the form of documents, diagrams, photos, or other items of evidence which either party feels is important and relevant to his or her side of the story can be offered as evidence.
4. **Witnesses:** The employee or their representative(s) can have people testify as witnesses on his/her behalf and can also cross-examine witnesses that are called by the City to testify. All witnesses will testify under oath.
5. **Subpoena Witnesses or Evidence:** Either party may request that the Civil Service Board require the presence of a witness at the hearing to testify regarding the appeal. Either party may also request that the Board subpoena certain documents or other evidence relevant to the appeal on his/her behalf. Such a request must be submitted in writing to the Civil Service Board secretary in the Human Resources office and must specify

the persons or specific evidence to be subpoenaed by the Board. When requests for subpoena of witnesses or evidence are made prior to the hearing, such requests should be made at least 48 hours before the date and time set for the hearing. The party causing such a subpoena to be issued will be responsible for paying any fees or expenses associated with the service of the subpoena, such as witness fees, transportation, lodging, or service fee.

6. **Reasonable Opportunity to Inspect All Evidence Used in the Hearing:** During the hearing, each party will be given time to review evidence prior to its acceptance by the hearing panel.
7. **Opportunity to Object to Evidence:** The employee or their representative(s) may object to its introduction and a ruling may be made by the hearing panel. If the employee makes such an objection, the employee will be required to explain the basis of the objection to the hearing panel.
8. **Protection Against Reprisal:** Adverse action cannot be taken by the City against an employee because that employee has filed a Civil Service appeal or participated as a witness in a Civil Service appeal hearing.

III. ATTENDANCE AT HEARING:

1. Because the subject matter of most Civil Service appeals necessitate discussion and/or review of the contents of an employee's official personnel record during the hearing, including matters of discipline, performance, benefits allocation, and other confidential employee matters, such a hearing will be deemed to be a "closed hearing," to the exclusion of the general public and the news media, and will be restricted to those persons specified below.
2. Persons who will be permitted to be in attendance during the hearing will include members of the Board, court reporter, secretary to the Civil Service Board or designee, representatives for the City, and representative for the appealing party, Human Resources Manager, the appealing party, management representatives of the City departments involved, and witnesses for both parties. Witnesses will be excluded, upon motion by either party, from the hearing until after they testify.
3. The parties may request that attendance by certain persons other than those indicated here be permitted, and permission may be granted at the discretion of the hearing panel on a case-by-case basis.

IV. STANDARDS OF CONDUCT:

1. The employee may not communicate directly or indirectly with the members of the hearing panel regarding the subject matter of the case

prior to the hearing. This is to make certain that the FINDINGS of the Civil Service Board members are based only on the information presented in the written appeal and/or the information presented through testimony and evidence by the parties during the hearing.

2. If any member of the Civil Service Board has advance knowledge of the subject matter of the appeal beyond that obtained from the sources noted in No. 1 of this section, or if another substantial conflict of interest exists for the member relating to the appeal, he or she will be disqualified and will not be assigned to the hearing panel for that appeal. The employee shall have an opportunity to raise an objection to the membership of the Board hearing panel at the time the appeal is submitted to the department. The employee may not object, absent exceptional circumstances, to the presence of any member of the hearing panel after the appeal has been submitted to the department. In the event a Board member is disqualified after being assigned to a hearing panel, the hearing will be suspended until such time as a qualified member has been assigned to the hearing panel. If such a conflict exists for more than one member of the Board leaving less than three members to be assigned to the hearing panel, a temporary member(s) may be appointed to serve on the hearing panel as set forth in Chapter 39, Section 39.085 of the Code.
3. If the appealing employee fails to appear in person or through a representative before the Civil Service Board at the designated time, date, and place of the hearing, without good cause appearing therefore, the employee's appeal will be dismissed by the Board, and the employee will have waived his or her right to any further action regarding the matter. In addition, the appealing employee will be charged with all expenses connected with arranging a Civil Service Board appeals hearing.

V. CIVIL SERVICE HEARING PROCEDURES:

These procedures are set forth in Chapter 39 of the Code, established Civil Service Rules, and direction from the Civil Service Board.

1. **Appeal Filed:** To file an appeal with the Civil Service Board, the appealing employee must present a written notice of appeal form adopted by the Board to the City Human Resources Department within ten (10) calendar days of the issuance of the Employee Incident Report documenting the suspension, demotion, or termination of his or her status as a civil service employee of the City.
2. **Hearing Scheduled:** Within 30 days of a Civil Service appeal being received by the Board, a date, time, and place of hearing of the appeal will be scheduled. Notice of the date, time, and place of the scheduled hearing will be delivered to the appealing employee either personally or by certified mail.

3. **Hearing Panel:** A hearing panel consisting of three Civil Service Board members, one of whom will be designated chairperson, will be appointed to hear the appeal. The hearing panel will conduct the appeal hearing, rule on questions, evidence, testimony, and motions by the parties, and make a determination on the appeal based upon existing ordinances and rules.
4. **Order of Procedure:** When the appeal before the Board is based upon a suspension, demotion, or termination of the appealing employee by the City, the City bears the burden of proof and will therefore open and close the hearing.
5. **Opening Statements:** Both parties will be permitted to make brief opening statements about what they intend to prove in the hearing. Opening statements are not evidence or argument, so the parties should not go into great detail at this point. Evidence will be presented at the next step of the hearing. The appealing party must also include the following in the opening statement:
 - a. The City action being appealed and/or Chapter 39 of the Code or Civil Service Rule(s) that are alleged to have been violated by the City.
 - b. The relief from the City being sought by the appealing employee.
6. **Introduction of Evidence:** The City will present its evidence first, followed by the appealing party. Both parties will be given an opportunity to review documents or items introduced into evidence and will be allowed to make objections to their introduction. Such objections will be ruled upon by the hearing panel. If the evidence is accepted, it will be entered into the record in the form of "Exhibits," which will be numbered or lettered by the court reporter. When used by the parties during the examination of witnesses or when preparing documents, evidence may be referred to by the assigned exhibit number or letter.

All materials introduced as evidence must be relevant to the appeal. The employee will present documents that tend to support his/her side of the issue and be prepared to justify acceptance of the items into evidence. The employee should bring at least four copies of the documents he/she intends to enter as evidence. The employee does not have to read the documents to the hearing panel, as they will review them once the hearing has concluded. The employee should, however, call attention to specific parts of the documents he/she feels are important. This can be done at the time the evidence is introduced or through the testimony of a witness during examination. The employee may ask about, respond, or object to documents offered into evidence by the City.

7. **Motions and Objections:** All motions and objections to testimony, evidence, or matters of administrative procedure made by the parties will

be stated orally on the record and will be included in the record, as will the ruling on such motion or objection as made by the chairperson of the hearing panel.

8. **Examination and Cross-Examination of Witnesses:** Persons whose testimony is to be taken will be sworn before their testimony is accepted as evidence and before any questions are put to them. The City will first call its witnesses for testimony. The appealing party will then call its own witnesses for testimony. After each of the witnesses is questioned by the calling party, the opposing party will be given an opportunity to cross-examine the witness. After cross-examination of the witness, the calling party will be given the opportunity to ask additional questions of the witness to clarify statements made by the witness during cross-examination, to introduce new evidence through the witness in response to cross-examination, or to redirect previous testimony. Members of the hearing panel may also ask questions of the witnesses.

The employee should limit questions to matters to which the witness can testify on the basis of his or her own observations, knowledge, or experience. "Second-hand" or "hearsay" testimony may not be accepted by the hearing panel. Everything the employee has to say about his/her case should be presented at this time. The employee will not be given another chance to introduce new evidence or testimony after questioning is closed. During testimony or cross-examination of a witness, the employee may object to questions being asked or responses of the witness on the basis of the relevance to the appeal, qualification of a witness to respond on a subject, or the manner in which a question is asked (such as a "leading" or "argumentative" question).

9. **Summation or Closing Statement:** Both parties will be given an opportunity to offer a summation following the presentation of all evidence and examination of all witnesses. No new evidence or testimony can be presented at this time by either party. In the employee's closing statement, he/she should show how the evidence and testimony that has been presented proves his/her side of the question. The hearing panel will establish the maximum time permitted for the closing statements of both parties.
10. **Filing and Service of Proposed Findings and Conclusions:** Upon the conclusion of the hearing, the hearing panel may ask the parties to prepare findings of fact and conclusions of law and fix the time for filing such briefs. The hearing panel will determine the order in which the briefs are to be filed and may direct that the briefs are to be filed simultaneously. Briefs not filed and served on or before the dates fixed by the hearing panel will not be accepted for filing, unless the hearing panel extends the time for filing briefs for good cause. All filings of briefs must be directed to the Civil Service Board secretary who will be responsible for the

administrative processing of such documents. Copies of the proposed findings and conclusions will be distributed to each of the parties.

11. **Decision of the Board:** The Civil Service Board will issue a decision subsequent to the hearing. Generally, this decision will be made within 30 days following the hearing; however, this may be extended by the Board. In some cases, the hearing panel will confer in confidential session immediately following the hearing to make the decision and orally announce their decision from the bench.

The decision will be prepared in the form of a written "order." Each party will receive a copy of the final findings of facts, conclusions of law, and the final order signed by the hearing panel chairperson.

12. **Appeal:** If either party is not satisfied with the decision of the Civil Service Board, the Board's decision may be appealed to the circuit court within thirty (30) days of the final action of the Board as set forth in state statute. If an appeal is to be made, findings of fact and conclusions of law must be filed with the Board before the appeal is perfected.

VI. DEADLINE EXTENSIONS:

The Board establishes deadlines for the submission of findings of fact, conclusions of law, objections, order, and briefs. Extensions may be granted for good cause. Any request for an extension of a deadline must be (1) submitted to the Civil Service Board hearing panel chairperson and the Board secretary; (2) requested prior to the established deadline; and (3) agreed upon by both parties. Submissions made after established deadlines will not be allowed absent exceptional circumstances.
